

**HIGH PCR CONTENT + LSR BONDING**

# GLOBAL ELECTRONICS BRAND

**SPEAKER COMPONENTS**

## AVIENT SOLUTION

Edgetek™ REC PC Recycled Polycarbonate Solutions

## WHY AVIENT?

- Offered a recycled-content solution that bonds well to liquid silicone rubber (LSR)
- Provided rapid technical support and expedited sample delivery to meet customer's go-to-market needs
- Improved the product's impact resistance, successfully passing the rigorous drop test

## LEARN MORE

## KEY REQUIREMENTS

- A material with high post-consumer recycled (PCR) content of up to 70%
- Compliant with the customer's internal regulations, including non-halogen and non-PFAS
- Good heat resistance with a heat deflection temperature

\* manufactured without intentionally added PFAS-based raw materials
